

MEMORANDUM

To: Micah Ali, Margaret Comer, John Shelton, Jonathan Bowers, and Tana McCoy
Compton Creek Mosquito Abatement District

From: John Franklin, General Manager

Date: May 11, 2026

Re: General Manager's Report for May 2026

WEATHER

Temperatures at Noon: High – 78 Low – 66 Ave. – 71

Days Clear – 23 Overcast – 0

Service Requests – 0 Rain – 0

OPERATIONAL REPORT

The District began the Spring surveillance program which included inspections for mosquito breeding throughout the month of April. The General Manager and Seasonal Technician continued inspecting swimming pools and catch basins for mosquito breeding. Breeding was found and treated. The District also drained two residential swimming pools to prevent breeding

MANAGER'S REPORT

Public Education

The District has continued its public awareness campaign to promote public safety through effective mosquito control and shared public responsibility. Social media platforms are being updated daily with information, stories, and best practices for protecting yourself from mosquitoes. District personnel are also in the neighborhoods daily, distributing mosquito awareness literature and promoting the District's message directly to residents.

U.S Army Corp of Engineers

The USACE completed their work of clearing the vegetation & soft bottom of Compton Creek near the seven-barrel conduit. The district has inspected the creek during the month of April with no breeding being found.
